Message to Our School Family

Dear Parents,

Welcome to Our Lady of Perpetual Help School. We are glad to have you here and we are proud of our school. This handbook has been developed and designed over the years by administration, teachers, and staff as a means of communicating between home and school.

Please review this handbook because it will answer many of the questions you may have about procedures, policies, regulations, and rules of our school. Close cooperation between the school and home is essential to promote the education of your child. It is our hope the handbook will promote better understanding and communication.

The Our Lady faculty would like all students to enjoy the benefits of a peaceful environment in which they can feel comfortable. This atmosphere will facilitate learning and respect for students, teachers, and parents. The following are guidelines for behavior in the classrooms, the Marian Inn, the church, the gym, and the play yard.

Our Lady Priority Principles:

- *Follow the Ten Commandments.*
- *Follow your conscience and use common sense.*
- *Teachers and parents are partners. Parents will be informed of their child's behavior, growth, and development.*

We hope this handbook will be helpful to you throughout the school year and we look forward to working in partnership with you.

Sincerely,

Mrs. Frio and the Faculty and Staff of Our Lady of Perpetual Help School

Our Mission Statement:

As a community of clergy, families, and educators, we endeavor to meet the challenge of living the faith as modeled by Jesus, through worship, message, and service. We recognize that Christian education is a lifelong process, and we share a ministry that encourages the child's total development. We strive to be caring individuals, who nurture the spiritual, intellectual, social, physical, and psychological well-being of our students.

Our Beliefs:

- *To know, love, and serve God is the fundamental value of our school.*
- *Students, parents, and teachers are all children of God and therefore treat each other with dignity and respect.*
- *Our school community has the responsibility not only for increasing its knowledge of the Catholic faith but also the practice of it.*
- *Academic development achieves its fruition within the context of developing the whole person to its fullest potential.*
- *All students have the ability to learn but do so at different rates and in different ways.*
- *Students, guardians, and educators are essential components to academic success.*
- *All children have a right to a safe and nurturing learning environment.*
- *The atmosphere in our school should be conducive to learning and to the development of character and personal responsibility.*
- *Students should understand that success involves challenges.*
- *All members of our school community should feel welcomed and valued.*
- *Teachers should expect that students will exhibit academic effort and conformity to school regulations.*

Conduct Guidelines

Expectations for Student Behavior

Students are required to see themselves and others as children of God. Therefore, a basic expectation for behavior is that everyone is treated with dignity and respect.

1. Every student has the responsibility for the safety of himself/herself and others and, as such, verbal and social interactions should be based on the Ten Commandments.
2. Every student has the responsibility for increasing not only his or her knowledge of faith but also the practice of it. Through daily prayer, weekly participation in liturgy, and reception of the sacraments, all should strive to see Jesus in others and have others see Jesus in them.
3. Every student has the responsibility to help create a peaceful learning environment in the classroom and should not infringe on the right of each student to be taught and to learn.

4. Every student has the responsibility to obey and respect authority figures in order that proper supervision may occur to protect the safety, health, and welfare of everyone in our building.
5. Every student has the responsibility for respecting his/her own body and the bodies of other students. Inappropriate physical contact and bullying of any kind will be viewed as serious violations of God's intention for us to "love our neighbor as ourselves".
6. Every student has the responsibility for taking care of his or her own physical appearance and personal space. Students should take pride in keeping their bodies clean and their appearance neat by following the dress code guidelines. Also, students' desks and belongings should be organized, maintained, and handled correctly.
7. Every student has the responsibility for keeping the school's physical environment clean and attractive. All students should be proud of our facility and take ownership of its appearance. No gum chewing is permitted during school or extended care.

There will be times when a student does not live up to an expectation or responsibility. At these times it is necessary to correct behavior. Depending on the infraction and the seriousness of it, the teacher, principal, and other adults in authority will attempt to have students understand the problem through verbal correction, written discipline reports, exclusion from certain privileges, or detentions. Some infractions will result in fines such as dress code violations, lateness, and gum chewing. In extreme cases, suspension or possible expulsion may be necessary.

The school reserves the right to search anything brought on school property or at school sponsored activities.

In dealing with misbehavior, it is desired that teachers, students, and parents work together to turn a possible negative situation into a positive understanding of what Jesus would want us to do.

Special places and special times call for special consideration and behavior.

- The **library** is a quiet place. Its main purpose is for selecting and reading books. Talking should only occur when performing group research or when instructed by a teacher or librarian.
- The **Marian Inn** is for eating and quiet socialization with classmates. It is our 'restaurant' and should be treated as such. It is not proper to yell or talk loudly.
- The **play yard** regulations must be followed in all areas so everyone can enjoy recess. Safety should be a priority.
- Bus transportation is a privilege. **Bus** behavior includes remaining seated and having quiet conversations. The bus driver's job is very difficult. Please respect the driver and be kind and courteous to everyone on the bus.
- **Restroom** conduct should always display respect for our bodies and the privacy of others. Food or drink is not permissible in these areas. Restrooms should remain neat & clean.

- **Dismissal times** are quiet times. Students must listen for the dismissal instructions. Students are to be in their seats until it is their turn to leave. Report (or walk) to designated dismissal area; *Safely* board bus or car.
- **Prayer times** are times of peace. Once prayers are announced, all other activity ends.

Bullying Policy

Our Lady of Perpetual Help follows the bullying policy guidelines of the Diocese of Allentown ([Policy 5139](#)).

Cell Phones, Smart Watches, or any Electronic Devices

The school will not be responsible for any cell phones, smart watches, or electronic devices brought to school. If parents or guardians feel it is necessary for a student to bring a cell phone, smart watch or other electronic device to school, the device **MUST** be turned off **AND** stored in the student's backpack **until dismissal has ended**. Devices that are stored improperly during school hours will result in the following:

- Any device inappropriately used in school will be taken from the student and locked in the school office until the parent/guardian picks it up from the Principal.
- Any student caught with an electronic device during school hours will receive an automatic detention. A second offense will result in storing the device in the main office each school day.

Hazing Policy

The Diocese of Allentown prohibits any form of hazing of or by employees, volunteers or students. (See [Anti-Hazing Policy](#))

Firearms and Explosives

- Any student or other person who possesses any firearm, shotgun, pistol, rifle or explosive on school premises, or on the premises of a school-sponsored event, shall be turned over to law enforcement personnel, expelled from the school, and subjected to criminal sanctions authorized by law.
- The parent(s) of the student shall be notified immediately by the principal or his or her designee.
- Any firearm, shotgun, pistol, rifle, or explosive confiscated by the school shall also be turned over to law enforcement personnel and disposed of, accordingly.

Weapons, Illegal Substances and Tobacco

Any student who possesses any weapon (as defined below* and not specified above), illegal substances, alcohol, or tobacco products on school premises, or on the premises of a school-sponsored event, or any student who initiates violent conduct may be subject to:

- Local disciplinary actions
- Suspension from school activities and/or extracurricular activities
- Out of school suspension or expulsion

*“Weapon shall include, but not be limited to, any knife, cutting instrument, or cutting tool, nunchucks, firearm, shotgun, rifle and/or any other tool, instrument or implement capable of inflicting bodily injury.” *PA Safe School Act, Section 1301-A*

Discipline Code

To develop the values of the Catholic faith and the morals of good citizenship, respect for all in authority must be maintained. We expect that students will respect adults and fellow students, treating them with courtesy and kindness. Our school strives to foster growth in self-discipline that supports cooperative behavior through positive reinforcement and provides clear consequences for misbehavior. Where methods of positive reinforcement, motivation, and conferencing with students have not proved successful, or when seriously disruptive behavior has taken place, other actions may be necessary. A student who fails to demonstrate acceptable behavior will be disciplined by the teacher, staff, activity director or principal.

The students in Kindergarten to eighth grade are developing skills in responsibility, decision-making and conflict resolution at varying levels. Therefore the degree of disciplinary action taken is dependent upon the developmental level, age, and maturity of the student.

Kindergarten-Third Grade

In the event of inappropriate behavior, parents will be contacted so that a solution can be worked out between the home and school. Repeated disregard for school rules and disrespect for others may necessitate more severe action including but not limited to the use of the Conduct Notice system through OptionC.

Fourth - Eighth Grades

The discipline policy for Grades 4-8 incorporates a Conduct Notice system through OptionC. When a student receives a Conduct Notice parents/guardians will be contacted by the issuing teacher. Consequences will be determined on an individual basis based on the circumstances of the misbehavior. Scheduled detention dates, if applicable, will be noted in the Conduct Notice when it is sent. Parents will need to reply to the Conduct Notice to confirm receipt and understanding of the incident.

Detention, Suspension, Expulsion

After School Detention will be held on Wednesdays from 3:00-4:30 pm. Students must fulfill their detention time before they can participate in after-school activities. Two After School Detentions in a trimester will result in a Saturday Detention. Saturday Detention will be held from 7:30-9:30 am as needed. Extreme or serious behaviors, as well as repeated disregard for school rules, may result in suspension or expulsion.

Attendance

Daily Schedule

The school day officially begins at 8:25 am and concludes at 3:00pm. Supervision of students is available at those times. **Please note: until further notice, due to new procedures related to COVID-19 morning arrival will begin at 8:00 am and dismissal will begin at 2:45 pm.**

Lateness

- All students who enter school after the 8:25 bell are considered late and must report to the school office.
- A written excuse must be given to the homeroom teacher. (This does not apply to tardiness due to a school bus arriving behind schedule.)
- A five dollar fine will be imposed for the 4th unexcused late arrival and for **each** late occurrence after that. Being late for school will disqualify a student from receiving a Perfect Attendance award. ***Please note: Given the current situation with COVID-19, the Diocesan Perfect Attendance Award will not be awarded this school year.**

Absence

- Please telephone the school (610-868-6570) by 8:45 AM if your child is going to be absent from school.
- If possible make arrangements with a sibling or neighbor to take schoolwork home. Beginning at dismissal time parents may pick up work outside the office.
- State requires that a written note of excuse stating the reasons and dates of absence, signed by the parent/guardian, be presented to the teacher the day the student returns to school. Notifying the school of the student's absence by phone does not negate the necessity of this written note. The note must contain the student's name, grade, explanation of absence and the signature of a parent/guardian. If a note is not forwarded within 3 days of the return to school, the absence will be recorded as unexcused and a five dollar fine will be charged.
- Students absent for three days or more because of illness must have a doctor's note in order to return to school. If an absent note has not been received 3 days after the student returns to school, a five dollar fine will be charged.
- A student that is absent a total of 10 days, for any reason, will receive a letter stating that any further absences will require a doctor's note. This will mean a doctor's note for each and every subsequent absence.

Appointments during School Hours

- Please try to schedule your child's doctor, dentist, and orthodontist appointments after school hours. If this is not possible, your child must bring a written note to school in order to be dismissed during school hours.
- Parents must come to the school office to sign their child out of the building.
- Upon returning to school, the student must present a written notice from the doctor,

dentist or orthodontist.

- Your child is responsible for obtaining and completing all missed assignments.
- Leaving school during school hours for appointments will disqualify a student from receiving a Perfect Attendance award. *Please note: Given the current situation with COVID-19, the Diocesan Perfect Attendance Award is not being awarded this school year.

Vacations During School Year

Regular attendance at school is important for your child's education. Disruptions to your child's school attendance can have a significant impact on his/her academic performance. Extended family vacations during the school year are strongly discouraged. However, if parents still wish to take a vacation during school time, the following should be noted:

- Notify the teacher as soon as vacation plans have been made or at least one week in advance.
- All written assignments will be given to the student on his/her first day back from the vacation (Teacher Discretion).
- Students are encouraged to have their books with them and consult online class information posted by the teacher.
- Parents have a responsibility to make sure that the student understands the concepts that were covered when they missed instruction before the student attempts to make-up the work.
- The student will have one calendar day for each day of school missed to complete the assignments. For example: if a student returns on Thursday after missing 4 days of school, he/she has until Monday to complete and hand in all assignments.
- All tests will be administered according to a schedule determined by the teacher. A student may be required to complete up to three makeup tests in one day.

Academics

Homework

Homework provides needed reinforcement of educational skills and provides the teachers with an indication of what a student understands and potential areas of difficulty. Students are responsible for checking Schoology daily.

Grades K-4

The homework policy for Grades K-4 is teacher directed. Parents and students are informed at the beginning of the school year regarding homework expectations.

Grades 5-8

- The homework grade is 10% of the trimester grade in every major subject area. All students begin each trimester with 100 as their homework grade in every area. Any homework assignment that is missed, forgotten, or not completed according to the teacher's directions and standards for neatness, legibility, and quality of work will result in a No Homework for that day. Each No Homework will result in a 10-point deduction from the homework grade (e.g., one No Homework: $100-10=90$ points).
- Students may not phone home to ask for missing work to be brought to school.
- The missing assignment is to be completed by the next day. Failure to complete the assignment will result in an additional 10 points per day until the assignment is completed.
- Repeated No Homeworks in a major subject area during the academic trimester may result in disciplinary action.

Suggested time allotments for each grade level:

1st grade...20 minutes	5th grade...60 minutes
2nd grade...30 minutes	6th grade...70 minutes
3rd grade...40 minutes	7th grade...80 minutes
4th grade...50 minutes	8th grade...90 minutes

OptionC - Beginning with grade three, parents receive log in credentials to access their child's grades and attendance via the [OptionC portal](#).

Tests, Quizzes, and Graded Assignments

- Major tests will be given with several days prior notice to allow sufficient study time.
- Quizzes may be given regularly with or without notice.
- Parents need to stay continuously informed regarding their child's progress via Schoology and the OptionC portal.

Exams

- All students receive an exam schedule, as well as the material to be included in the exam, at least one week prior to exams.
- Exams for grades 1-4 will count as a major test grade. Exams for grades 5-8 will be calculated as 20% of the subject grade for the trimester.

Parent/Teacher Conferences

- Parent/teacher conferences are regularly scheduled once a year after the first progress report is issued in mid October.
- Additional conferences may be scheduled at the request of the parents or teachers on an as-needed basis.

Parties/Special Occasions

Invitations for parties cannot be distributed in school unless all children in the class, or all children of the same gender as the child having the party, will be receiving an invitation. Because of various food allergies throughout the school, when celebrating birthdays and other special occasions in school we ask that students bring in a non-food item (ex. pencils, stickers, etc.) or donate a book to the school library in lieu of bringing an edible treat.

School Memorial Fund

A donation to the Our Lady School Memorial Fund will enable you to enroll your deceased loved one in a perpetual prayer remembrance society. Our children will remember all those enrolled in their daily prayers, weekly masses, special liturgies and prayer services. Your donation not only honors the deceased, but offers a development opportunity for Our Lady's School. Your offering will be appreciated in any amount, but we do request a minimum of \$5.00. You will receive a memorial card in honor of the deceased person which then can be sent to the deceased's family. All donations will be used as a development tool to guarantee future financial security. Contact the school for more information.

CYO ATHLETIC POLICY

GRADE K-8

RULE A

Section 1 All boys and girls who are registered members of the parish they wish to represent, must be given an opportunity to participate in any sport or activity. Participants must uphold the religious and academic standards of said parish. If they become 15 years of age before the date listed in Rule A, Section 2, they are ineligible. Students who have been promoted from the eighth grade are also ineligible.

Section 2 All sports: September 1

Section 3

A. Any boy/girl who attends a parish school or diocesan school, regardless of religious affiliation, may participate in the Diocesan CYO Programs for said school or any boy/girl may choose to participate in Diocesan CYO Programs for his/her own parish or merged parish. **They may NOT play for both, and must stay within that program for the entire year.**

The Catholic child must be a practicing Catholic, attending Sunday Mass and Religious Education weekly or a Youth Ministry Program if no Religious Education is offered. The inclusion of non-Catholic students enrolled in a RCIA program is at the discretion of the Pastor.

B. Parishes wishing to merge for a particular sport or activity must file a written request signed by the Pastors or their designated representative, with the parish seal affixed, to the District Board for submission to OYYAM.

C. In consolidated schools (more than one parish) with only one parish CYO team, members of said parish and said school are eligible to participate in sports

activities for the parish CYO team. Mergers will be needed to include any others on said team.

Section 4 Any boy/girl participating in Diocesan CYO Programs who maintains the same home address but transfers to a new parish for the purpose of athletics and/or as a result of recruiting, is ineligible to participate in that sport for one year.

Section 5 Any student who is legally homeschooled is permitted to play for their parish team or for a school team that their home parish would feed into provided that their home parish is located within the boundaries of the Diocese of Allentown.

Section 6 In all Districts all parishioners are eligible to participate in all CYO activities. Parishioners can participate for their CYO team and other school teams during the same season.

Section 7 All players who participate on a CYO team (regardless of what school they attend) must be recorded in the official scorebook (as verified by the game official), and attend, at least two-thirds of the scheduled games in order to participate in District or Diocesan playoffs, notwithstanding injury or illness. All players must have the following information recorded in the official scorebook for each game: first name, last name, and jersey number. Official scorebooks must be available for review at any time by CYO diocesan/district personnel.

Section 8 If a player chooses to attend any game or event connected to their non-CYO team during District or Diocesan playoffs, they will be ineligible to participate for the duration of the CYO post-season, only when a conflict arises between the two teams. The CYO team and schedule will take precedence. A player who chooses to attend their non-CYO team event will forfeit their CYO eligibility for the remainder of the CYO season.

Section 9 One may protest a violation of Eligibility Standards. Refer to Rule E (Protests)

Section 10 All participants in Diocesan CYO Athletic Programs should be covered by hospitalization insurance. Diocesan insurance is a secondary coverage. In case the participant is not currently insured, the diocesan insurance becomes the primary insurance.

Section 11 The Diocese of Allentown, acting in its sole and absolute discretion, retains the ultimate decision making authority concerning who will be allowed, and who will not be allowed, to participate in Diocesan CYO programs. The Diocese of Allentown reserves the right to deny participation to any person in any CYO program, for any reason or for no reason.

Section 12 A grandfather clause can be added to make a smooth transition due to rule changes if so agreed upon by the Diocesan CYO Executive Board.

Registration Policy

The following priority ranking will be used as a guideline for registration to Our Lady of

Perpetual Help School:

- Children of parishioners or children of non-parishioners who have another child presently enrolled in the school (K-8)
- Children of parishioners
- Children of non-parishioners
- If the situation arises that a teacher who lives outside the parish boundaries chooses to send his/her child to our school, the classroom maximum will increase by one.

Please note: A parishioner is defined as a registered member of the parish who actively participates in the life of the parish.

It is possible that more children of parishioners may apply for enrollment than can be accommodated. To handle this possibility with all due fairness, the following procedures are in effect.

- Families with a child presently enrolled in the school (K-8) who wish to enroll a child for Kindergarten the following year will be allowed to pre-register Kindergarteners sometime during the first Trimester. The exact date will be sent home early in the school year or parents may check with the school office.
- Parishioners will be informed of registration dates and times via the parish bulletin.
- There is an open registration period throughout the year for enrollment in grades K-8 for the next academic year.
- Once all available openings are filled, a waiting list will be established if necessary.
- The school waiting list will include as many children as parents wish. Children, according to their ranking on the waiting list, will be enrolled as soon as a vacancy occurs. Parents will be notified and asked if they will accept the placement. A child's name will remain on the waiting list for future class enrollment for as long as the parents wish.

Non-Discrimination Policy

In compliance with the Diocesan Board of Education policy, Our Lady of Perpetual Help School shall not discriminate on the basis of race, gender, religion, color, or national origin in the administration of educational policies, admission policies, loan programs, and athletic, or other school administered, programs.

Additional Policy

Copies of custody orders must be submitted to the office, which will remain as part of the student's confidential file.

Health and Safety

Medications

- Students may not be in possession of, or take, medication in school without written notification to the school. This includes prescription **and** over the counter

medication.

- Prescription and over the counter medication brought to school must be in an appropriately labeled original pharmacy container and given to the school office with specific instructions concerning its dosage and usage. Please see the website to obtain an authorization for medication form which must be signed by a parent/guardian as well as a physician. This includes items such as cough drops, Tylenol, or allergy medications.

Student Illness

- If a child is sick in the morning, he or she should not be sent to school.
- Parents should notify the school by 8:45 am if their child will be absent that day.
- Parents/guardians must notify the school of their child's allergies, including food allergies.
- It is school policy to call a child's parent/guardian if the child is injured, has a fever of 100 degrees or higher, or if the child is visibly in discomfort and not able to perform in class.
- Emergency cards must be completed for each student. The card provides valuable information when unexpected problems arise.
- Parents/guardians must designate in writing anyone else who is permitted to take the student home.
- If any injury to the head or serious injury occurs, the parent/guardian will be called and a report will be sent home.
- If the parent/guardian or alternative contact person cannot be reached in an emergency, the school will contact 911 for emergency assistance.
- The school will inform parents of any unusually high levels of illness during the school year.

Please note: Due to COVID-19 the following protocols have been put into place regarding student/staff illness. Observation of staff and students will take place throughout the day. Staff and students will be referred to school nurse/first aid coordinator if symptomatic. Each student must have a current medical record on file with contact information.

CDC guidelines will be followed for staff, students or other members of the school community who become ill or exposed to an individual confirmed positive to COVID-19. If presented during school day the individual will be brought to an isolation area. Each student will require an emergency contact who can pick up within a 30 minute time frame or a time that is reasonable. Symptomatic individuals will be asked to contact their physician or appropriate healthcare professional for further directions.

To safely return to work/school staff or students confirmed to have COVID-19 need to
(1) not demonstrate a fever for at least 72 hours without the use of fever reducing medicines;
(2) demonstrate noted improvement in respiratory symptoms (e.g., cough, shortness of breath);

(3) at least ten (10) days have passed since symptoms first appeared;

(4) obtain a doctor's note indicating it is safe to return to work/school.

We will follow recommendations of the Department of Health at the local and state level and guidance from the Diocese of Allentown in notifying staff, families, and the public of confirmed staff or student illness, school closures and within-school year changes in safety protocols.

Fire Drills

Fire drills are conducted in the fall. During October the school is visited by the Nancy Run Fire Company for its official fire regulations check.

Immunizations

Pennsylvania law requires that all students, Kindergarten through Grade 12, must provide proof of immunization or immunity to the following prior to admission to school:

- 4 doses of tetanus* (1 dose on or after the 4th birthday)
- 4 doses of diphtheria* (1 dose on or after the 4th birthday)

Children ENTERING 7th grade need the following:

- 1 dose of tetanus, diphtheria, acellular pertussis (Tdap) (if 5 years has elapsed since last tetanus immunization)
- 1 dose of meningococcal conjugate vaccine (MCV)

These requirements allow for medical reasons and religious beliefs.

If your child is exempt from immunizations, he/she may be removed from school during an outbreak. The law makes exceptions for those who cannot be immunized for medical reasons or on religious grounds. If there is any medical reason why your child is not fully immunized, you must submit a statement authorized by your physician stating the reason. If you object to immunizations for religious reasons, the state requires that you sign a form to this effect.

Therefore, it is appropriate and a matter of obligation that the environment of a Catholic school be safeguarded to protect the health and well being of all students, teachers, administrators, and others.

Visitor Policy

Please note: Due to COVID-19, non-essential visitors will not be permitted. All visitor and volunteer visits must be scheduled. Protecting God's Children Training

All volunteers must attend a diocesan sponsored training session entitled "Protecting God's Children". Training sessions are given throughout the year. It is our desire that our school environment promotes the safety of all of the students and that all the adults in our
